For the duration where more than one child of the same family attends Tandem IMS, all children receive a 5% siblings discount on the tuition fee (excl. Day Care, Bus, Project Weeks, ECA, etc.). When 4 children of the same family attend Tandem IMS at the same time, then the 4th child will receive 10% siblings discount. These can only be claimed if the costs are being born by a private individual. These cannot be claimed if a company is paying the costs.

At Tandem IMS, we ensure an exceptional learning environment with a unique structure which includes an overlap of language teachers and specialist instructors (French, Arts, Music). Additionally, our commitment to quality education is reflected in tuition hours, which are 30-40% higher for Kindergarten children and 25-55% higher for Primary School children compared to public schools.

Fees may vary from one school year to another based on the national index of consumer prices, rental cost increases, other fluctuating market values, etc.
